

Welcome to Court of Noke

Guidance for Contributors to Spring Greens Fair 2018

This is the 10th year of Spring Greens Fair and our sixth year at Court of Noke;
Thanks to our hosts Edward & Emma Bulmer and family.
Please respect the privacy of the main house, walled gardens and of the neighbours.

Ethos & Organisation - The Fair is organised by local family & friends working as a team. Our legal structure is that of a Registered Co-operative operating as a Community Benefit Society. Our child-friendly ethos aims to create a welcoming, participatory event, open to all contributors.

ZERO WASTE - Spring Greens Fair aspires to be a waste-free event. There are no Bins!! Everything you bring is your responsibility - Please take it with you. We are very proud of the compost toilets that Jeff built.

Healthy & Safe

There are natural hazards from open bodies of water, rough uneven ground, old buildings and fires. Our H&S policy, risk assessments and public/employers liability insurance are on display. Please also take care when crossing the lane between car park and Fair.

First Aiders at Orchard Origins stall in Meal Square and also at the welcome stall.

AcOuSTiC MuSiC – This year we are having small acoustic music spots around the site. We are moving away from the main stage/audience vibe and creating an inclusive opportunity.

Children of All Ages - Respect is due to the next generation and to our elders.

We wish to share this opportunity to inspire and involve them.

Forest Play, Cycle skills, wool crafts, sewing, willow weaving, greenwood crafts & storytelling activities are recommended for children all ages!

Parents should be responsible for their children on site at all times.

THE FOOD - is as fresh and local as possible. Bring your own crockery, cutlery & a mug.
