

Welcome to Court of Noke

Guidance for Contributors to Spring Greens Fair 2022

Thanks to our hosts Edward & Emma Bulmer and family.
Please respect the privacy of the main house, walled gardens and of the neighbours.

Ethos & Organisation - The Fair is organised by a Collective of local families & friends. Spring Greens Fair is now set-up as a CiC with our hosts, Emma & Edward Bulmer, as Directors. Our child-friendly ethos aims to create a welcoming, participatory event, open to all contributors.

ZERO WASTE - Spring Greens Fair aspires to be a waste-free event. There are no Bins! Everything you bring is your responsibility - Please take it with you. We are very proud of the compost toilets that Jeff built.

Healthy & Safe

There are natural hazards from open bodies of water, rough uneven ground, old buildings and fires. Our H&S policy, risk assessments and public/employers liability insurance are on display. Please also take care when crossing the lane between car park and Fair. **First Aiders** can be found at the welcome stall.

AcOuSTiC MuSiC – This year we are having small acoustic music spots around the site. We have moved away from the main stage/audience vibe and creating an inclusive opportunity.

Children of All Ages - Respect is due to the next generation and to our elders. We wish to share this opportunity to inspire and involve them in activities for children all ages! ***Parents are responsible for their children on site at all times.***

THE FOOD - is as fresh and local as possible. Bring your own crockery, cutlery & a mug.

Traffic - take care turning onto Noke Lane, single track, off Rhyse Lane into the **Car Park**.
